iMove ensures compliance with the new postal regulations requiring certification of addresses every 95 days.

- Uses the Datatech SmartSoft AccuMail Move™ software for real-time NCOALink® change of address processing
- Reduces costs by only validating addresses you select
- Generates documents required for presorted discount certification on USPS First Class and Standard Mail
- Performs updates in real-time. No need to export your entire database for processing
- Pricing is scaled to the number of addresses certified

UNITED STATES POSTAL SERVICE CASS™ Summary Report

This form may be generated as the output of address matching processing using CASS Certified™ software in conjunction with current USPS® address database files. Any facsimile must contain the same information in the same format as the printed form.
See DMM™ Section 708 for more information.
